

The Melbourne Camera Club - Audio Visual Group eNews for October 2018.
Distributed to members and others interested in the Craft of Audio Visual production.

AUDIO VISUAL GROUP – AVG

Bendigo Camera Club – Audio Visual producers – set subject – No more than 3 minutes at the ends 21 seconds with a Can of Beer in each scene

October Audio Visual Group meeting - Wednesday October 17th 8pm

The month's AVG is showing five new Audio Visuals from members of the Bendigo Camera Club. Their criteria for this AV competition is that each AV must be less than 3 minutes and 21 seconds (ie the new 321 VAPS Interclub competition rules) and each scene in the AV must contain a 'Can of Beer'. All are welcome to join with us this Wednesday evening in viewing these amusing productions.

The AV titles and startup scene are summarised in the top hamper graphics above. You could almost believe that a Beer Brewing Company or two were sponsoring Bendigo's AV competition?

5th MONDAY Show and Tell – NO RULES – all welcome – Monday October 29th 8pm

The third 2018 'Show and Tell' 5th Monday evening is this month, and all are welcome. Our AV Group needs new and exciting photographers with ideas and productions that spark recognition and entertain. It's a challenge for discussion and inspiration with the possibility of completing a production for entry into the Club's End of Year competition.

End of Year Audio Visual Competition – Deadline for Entries - Thursday November 8th

There are 2 sections '321' and 'Open' for Audio Visual entries in the End of Year Competition. Maximum of one entry in each section. The 321 section allows AV up to 3 minutes and 21 seconds in length and the Open AVs can be up to 12 minutes. The End of Year AV rules also now allow video clips up to 20% of the AV's play time. A comprehensive set of AV rules and entry form are available for download from the Club's Web Site.

Hope to see you at these events. Any questions eMail or phone me.
